# Request to Transmit Priority Document to WIPO

Dear Sir:

The above matter has entered the national phase, and the Japanese Patent Office requests that WIPO transmit priority document Serial No. 09/872,953 filed June 1, 2001 to them as soon as possible.

It appears that the United States Patent Office as Receiving Office did not forward this document although the fee to do so was paid for at the time of filing. I am therefore requesting that this be done. A copy of PCT/RO/111 Notification relating to Priority Claim is enclosed for your reference in attending to this.

Respectfully submitted.
